

8 December 2019

To whom it May concern:

This is to certify that I have researched Bruce Pascoe's extended family tree comprehensively, and have been unable to find any Aboriginal ancestry in his family Births, Deaths and Marriage records.

My information has been peer reviewed by a qualified historian and professional genealogist. The Paternal Pascoe line has also been checked and approved by a Pascoe family member, who wishes to remain anonymous. It is my professional opinion that there is no Aboriginal blood line in Bruce Pascoe's ancestry.

Sincerely

A handwritten signature in black ink, appearing to read 'Jan Holland', written in a cursive style.
