Dear Roger

Thank you for your email and feedback.

The Australia Council for the Arts did not fund the publication of this book or its cover art work.

However, even for the projects we do fund, the Australia Council does not exercise editorial control over the activities supported. The Australia Council is directed by our Act to uphold and promote freedom of expression in the arts.

If you are concerned about an aspect of this publication, you may wish to take the matter up with the book's publisher.

Kind regards,
